

CSI Pollen Belgium – Focus on citizen scientist

<http://bienenstand.at/c-s-i-pollen/portraits/>

Name: Roger Devos and spouse

Region: Oost-Vlaanderen, Belgium

Hi

May I introduce myself briefly:

- "Bee" related training: beekeeper, naturalist, plant expert
- Beekeeper with "Buckfast bee"
- Teacher beekeeping.

With C.S.I. Pollen, I hope to contribute to a better understanding of the presence or absence of diversity in plants and the importance for bees.
